In November 2024, the Gresham Police Department received a complaint which alleged criminal conduct by a member of the department. The officer was immediately placed on administrative leave. To ensure a thorough and impartial process, the department requested an outside agency conduct the investigation.

This afternoon, the department was informed that Officer Hector Carranza has been arrested as a result of that investigation. Officer Carranza remains on leave pending the completion of the criminal process and internal review. He has been employed by the Gresham Police Department since 2014.

The officers and professional staff of the Gresham Police Department are committed to improving the quality of life in the City of Gresham through service, integrity, and respect for the individual. Criminal conduct by any employee of the department is a serious violation of these values. All members of the department are expected to meet the highest standards of moral and ethical conduct.

The Gresham Police Department will continue to fully cooperate with the investigation. The Oregon State Police and the Multnomah County District Attorney's Office are conducting the criminal investigation and prosecution. Because of the ongoing criminal proceedings, we are unable to provide additional information.
