

COMMUNITY READING LIST

NAACP VANCOUVER & CCHM READING LIST

The NAACP Vancouver & CCHM Community Reading List Project invites you to explore Black history and culture through the joy of reading.

Our collaborative exhibit, **This is Our Legacy**, highlights the roots of our community's story, centering on Black experiences here in Clark County.

We hope this project offers deeper insight into these local narratives as well as the broader national experience.

Scan the QR code to access the reading list, which features a diverse selection of fiction and non-fiction titles across various sub-genres designed to educate and entertain readers of all ages.
