## **U.S. Attorney's Office Files Petition to Enforce Administrative Subpoenas to Locate Violent Criminals**

PORTLAND, Ore.— Today the U.S. Attorney's Office for the District of Oregon and the Civil Division of the U.S. Department of Justice filed a petition to enforce administrative subpoenas issued to four Oregon counties, including Clackamas, Washington, Multnomah, and Marion, seeking information to locate 10 violent felons who are likely subject to removal from the United States.

Following lengthy prison sentences, Oregon correction officials released 10 violent felons, who are likely subject to removal from the United States, into Oregon communities. Before their release, federal immigration authorities sent immigration detainers to Oregon officials seeking notification before Oregon officials released these criminal aliens into the community. State officials did not honor those detainers, like many others since 2021, and released the following 10 violent criminals into Oregon communities:

Criminal Alien 1 was first convicted in 2004 of Assault in the Second Degree, Assault in the Third Degree, and Criminal Mistreatment in the First Degree and sentenced to over 60 months in prison. In 2008, Criminal Alien 1 was convicted of Manslaughter in the First Degree and sentenced to over 150 months in prison and post-prison supervision. He was released into the community in 2023.

Criminal Alien 2 was convicted in 2013 of three counts of Rape in the Third Degree and three counts of Sodomy in the Third Degree involving a minor child under the age of 16. Criminal Alien 2 was sentenced to over 90 months in prison, post-prison supervision, and required to register as a sex offender. He was subsequently convicted of nine counts of Sexual Abuse in the Second Degree and sentenced to several years in prison to run concurrent to the sentence in the prior case. He was released into the community in 2022.

Criminal Alien 3 was convicted in 2011 of Kidnapping in the First Degree, Burglary in the First Degree, Robbery in the Second Degree, and Assault in the Fourth Degree. He was sentenced to over 150 months in prison and post-prison supervision. He was released into the community in 2025.

Criminal Alien 4 was convicted in 2018 of Assault in the Second Degree, Criminal Mischief in the Second Degree, Attempt to Commit a Class B Felony, and Unlawful Use of a Weapon. He

was sentenced to over 60 months in prison and post-prison supervision. He released into the community in 2023.

Criminal Alien 5 was convicted in 2010 of two counts of Sexual Abuse in the First Degree involving two separate victims who were under the age of 14. He was sentenced to over 60 months in prison, post-prison supervision, and required to register as a sex offender. He was released into the community in 2022.

Criminal Alien 6 was convicted in 2015 of Rape in the First Degree. In his plea petition, he admitted an aggravating fact alleged in the indictment – that during this offense, he used or threatened to use a weapon. He was sentenced to over 90 months in prison, post-prison supervision, and required to register as a sex offender. He was released into the community in 2023.

Criminal Alien 7 was convicted in 2015 of Rape in the First Degree. He was sentenced to over 120 months in prison with a lengthy term of post-prison supervision and required to register as a sex offender. He was released into the community in 2023.

Criminal Alien 8 was convicted of three counts of Rape in the First Degree involving a child under the age of 12 and two counts of Sexual Abuse in the First Degree involving a child under the age of 14. He was sentenced to over 150 months in prison, post-prison supervision, and required to register as a sex offender. He was released into the community in 2022.

Criminal Alien 9 was convicted in 2008 of Rape in the First Degree and Sexual Abuse in the First Degree and sentenced to over 90 months in prison, post-prison supervision, and required to register as a sex offender. Shortly after completing that sentence, Criminal Alien 9 was convicted in 2016 of Sexual Abuse in the First Degree. He was sentenced to over 70 months in prison, post-prison supervision, and the continued requirement to register as a sex offender. He was released into the community in 2022.

Criminal Alien 10 was convicted in federal court of possessing and using a fake Border Crossing Card to enter the United States in October 2012. In early January 2013, upon release from federal prison, he was transferred to Oregon for an outstanding warrant, where he was subsequently convicted of Robbery and Kidnapping in the First Degree. He was sentenced to over 100 months in prison. He was released into the community in 2023.

The information sought by federal authorities will assist with apprehending these violent criminal aliens in order to remove them from the United States. Since 2021, Oregon public officials have disregarded immigration detainers and have released violent felons, who are likely subject to removal from the United States, into Oregon communities.

“Removing violent criminal aliens from our local communities and country is a matter of public safety and a top priority for federal law enforcement,” said Scott E. Bradford, U.S. Attorney for the District of Oregon.
