

FUTURE IN FOCUS

THREE BIG PLANS. ONE BOLD FUTURE.

TAKE THE CITY OF RICHLAND TRANSPORTATION SYSTEMS SURVEY

WE WANT TO HEAR FROM YOU!

WHAT: The survey contains two parts, one **anonymous survey** covering multiple transportation topics such as funding priorities and your travel habits, followed by a **pin map exercise** where you can leave comments, concerns, or suggestions for a specific location (such as an intersection) within the City.

WHY: Help us improve our community by sharing your thoughts in this online survey. Your input will help the City better understand the community's hopes and concerns for the future of Richland and inform the Comprehensive Plan and the Transportation Systems Plan update. **The City of Richland is updating both the Comprehensive Plan and Transportation Systems Plan and needs your input.** Together the Transportation Element of the Comprehensive Plan and the Transportation Systems Plan analyze existing conditions and provide a 20-year framework for local infrastructure policy, planning, and investment through the year 2046.
