At 11:06 a.m. on Monday, Central Douglas Fire & Rescue crews were dispatched to a reported structure fire on Apricot Lane in the Evergreen Village Mobile Home Park in Green. Initial reports from neighbors indicated flames coming from the windows of a single-wide manufactured home. First-arriving units found heavy black smoke exiting the rear of the structure, with flames out the front. Within ten minutes of arriving on the scene, the fire was knocked down and extinguished.

CDF&R responded to this incident with three pieces of fire equipment and two command units, totaling ten paid and volunteer personnel. CDF&R was assisted by Umpqua Valley Ambulance and the Douglas County Sheriff's Office. DCSO was involved due to concerns of a possible criminal element to the fire. The occupant of the home had just been arrested in Roseburg on a separate incident. After a fire investigation performed by CDF&R personnel assisted by the Oregon State Fire Marshal's office, the fire was determined to be accidental and most likely caused by the improper disposal of cigarettes.

CDF&R would like to remind our citizens to dispose of cigarettes in a proper receptacle filled with sand or water and keep them away from combustibles.
