Police Plan Traffic Enforcement Mission

The Tualatin Police Department will be hosting a traffic enforcement/education detail on Thursday, June 25, 2026, between the hours of 8:00 AM and 3:00 PM.

Law enforcement from agencies within Clackamas and Washington Counties will conduct an interagency traffic enforcement mission in hopes of reducing crashes and ensuring safe commutes for motorists. Officers and Deputies will specifically target driving behaviors that contribute to crashes, such as speeding, following too closely, careless driving, distracted driving (cell phones), failing to obey traffic control devices, etc. This will be accomplished through the deployment of multiple traffic officers throughout the City of Tualatin.

Drivers traveling through Tualatin on June 25th should expect an increased law enforcement presence and are reminded to drive safely, avoid distractions, obey posted speed limits, and follow all traffic control devices. Together, we can make our roads safer and reduce the number of preventable crashes in our community.
