Tualatin's Outside Agency Grant Program Now Accepting Applications

(Tualatin, OR) Tualatin's Outside Agency Grant Program is accepting applications between August 19th, 2026 and September 20th, 2026. The program provides financial support to charitable non-profit agencies that serve the Tualatin community and align with the City Council's 2030 Vision for:

- An inclusive community that promotes equity, diversity, and access in creating a meaningful quality of life for everyone;
- A connected, informed, and civically engaged community that embraces our City's diversity;
- A thriving and diversified economy that includes living wage jobs, increased tourism, and sustained financial stability for the whole city;
- Safe, vibrant, and accessible gathering places throughout the city that build and celebrate our whole community;
- An efficient, accessible, innovative, sustainable, and connected transportation system that effectively and safely meets the needs of our entire community;
- Safe, desirable, welcoming, and sustainable neighborhoods with housing that is available for all; and
- An environmentally active, sustainable, responsible, and forward-thinking community that values and protects our natural resources, inhabitants, and habitat.

This year, the City Council has allocated \$50,000 for the program. Historically, multiple agencies each year receive awards in amounts ranging between approximately \$1,000 and \$5,000. In the

last funding cycle, fourteen agencies received funding, whose services include providing essential healthcare services to uninsured and underserved individuals, delivering support for basic needs such as meals and hygiene, direct assistance for victims of violence, rental housing assistance, and more.

The application and submission process is simple. Eligible organizations are encouraged to apply by September 20th.
