Portland Metro Area Roundtable Held on Fentanyl and Methamphetamine with HIDTA and HSTF

PORTLAND, Ore.— Today, United States Attorney Scott E. Bradford in partnership with the Oregon-Idaho High Intensity Drug Trafficking Areas program (HIDTA) and the Portland Homeland Security Taskforce hosted a roundtable with federal, state, and local law enforcement partners on fentanyl and methamphetamine, the two greatest drug threats to our local communities.

At this HIDTA and HSTF roundtable, key stakeholders discussed recent successes and ways to build upon them, including increasing the arrests and prosecutions of local fentanyl and methamphetamine dealers, emphasizing overdose investigations and prosecutions, and investigating and prosecuting individuals laundering proceeds for drug traffickers and cartels. These roundtables improve coordination and efforts to combat these dangerous drugs, leading to greater results for the community.

Fentanyl is a synthetic opioid 100 times more powerful than morphine and 50 times more powerful than heroin. A 2-milligram dose of fentanyl—a few grains of the substance—is enough to kill an average adult. The wide availability of illicit fentanyl in Oregon has caused a dramatic increase in overdose deaths throughout the state.

This project is part of the Homeland Security Task Force (HSTF) initiative established by Executive Order 14159, Protecting the American People Against Invasion. The HSTF is a whole-of-government partnership dedicated to eliminating criminal cartels, foreign gangs, transnational criminal organizations, and human smuggling and trafficking rings operating in the United States and abroad. Through historic interagency collaboration, the HSTF directs the full might of United States law enforcement towards identifying, investigating, and prosecuting the full spectrum of crimes committed by these organizations, which have long fueled violence and instability within our borders. In performing this work, the HSTF places special emphasis on investigating and prosecuting those engaged in child trafficking or other crimes involving children. The HSTF further utilizes all available tools to prosecute and remove the most violent criminal aliens from the United States. HSTF Portland comprises agents and officers from FBI, HSI, DEA, USMS, IRS-CI, ATF, USPIS, CBP, TSA, U.S. Coast Guard, Oregon Air, Army National Guard Counterdrug program, and Oregon-Idaho HIDTA with prosecution being led by the United States Attorney's Office for the District of Oregon.

The Oregon-Idaho HIDTA program is an Office of National Drug Control Policy sponsored counterdrug grant program that coordinates with and provides funding resources to multi-agency drug enforcement initiatives.

If you are in immediate danger, please call 911.

If you or someone you know suffers from addiction, please call the Lines for Life substance abuse helpline at 1-800-923-4357 or visit www.linesforlife.org. Phone support is available 24 hours a day, seven days a week. You can also text “RecoveryNow” to 839863 between 2pm and 6pm Pacific Time daily.
